[Last]. - You are not mistaken? - he asked.  It seems to me that I have already met with your latest developments somewhere. I know, she said. I've heard you scold me many times for spending your money on things that you shouldn't have done. And I've heard you scold me for spending your money on things I shouldn't have done. And now we're even. - What?! he cried. - Yes. We are quits, she said. I don't want to work for you anymore. Now I work for myself.
